

Terms of Service (TOS)

Introvert – An AI Dating Co-pilot Effective Date: November 25, 2025 © 2025 Shegby, Inc.

1. Acceptance of Terms

By accessing or using the Introvert service, you agree to be bound by these Terms of Service ("Terms"). Introvert provides a private, AI-facilitated connection service based on trust and anonymity.

2. Core Privacy Commitment (Data Minimization)

- **Zero Personal Data Storage:** Introvert (<https://introvert.shegby.com/>) is built on a radical principle of data minimization. **We do not collect, store, or sell your personal, identifiable data (Name, Photos, Location, etc.).** The service is designed to function entirely without reliance on persistent personal data records.
- **Pseudonymity:** You choose the display name you wish to use within the Introvert application, ensuring your privacy and ability to remain pseudonymous.
- **Waitlist/Subscription Data:** Email addresses provided for waitlist or notification purposes are immediately **hashed using industry-standard, irreversible cryptographic methods**. We do not store your email address in plain text and cannot decrypt the hash back to your original email address.

3. User Account and P2P Verification

- **Invite-Only Access:** Access to Introvert is restricted via an invite-only and Peer-to-Peer (P2P) verification system. You are responsible for the token and access granted to you.
- **Accuracy:** You agree to provide accurate information during the P2P verification process (handled by other users) to maintain the integrity of the network.

4. Third-Party Messenger Integration (Connection Bridge)

- **User Control:** Introvert connects matches by creating a secure bridge between their respective third-party messenger accounts (e.g., Telegram, WhatsApp, Signal). This connection is made via the messenger's official API and is controlled entirely by you.
- **Disconnection:** You may disconnect your linked messenger account at any time.

5. Communication and Data Processing (The AI Co-pilot)

- **Communication Flow:** All communication between matched users is transmitted through the Introvert service.
- **Ephemeral Processing:** Conversations are processed in real-time by the AI Co-pilot solely for the purpose of providing guidance, suggestions, and filtering (e.g., anti-spam, content filtering, improving matching algorithms).
- **No Storage:** We emphasize that conversations are NOT stored by Introvert. Messages are processed ephemerally and discarded immediately after processing to maintain your privacy.

6. User Responsibilities

You agree not to use the service for any illegal, harassing, or harmful activities, including the transmission of unsolicited explicit content (spam or "dickpics"). Introvert will attempt to filter harmful content using its AI Co-pilot, but the user remains responsible for their communication.

7. Limitation of Liability

Shegby, Inc. is not liable for any direct, indirect, incidental, or consequential damages resulting from your use of the Introvert service. The service is provided "as is" and "as available."

8. Governing Law

These Terms shall be governed by the laws of the USA, without regard to its conflict of law provisions.

9. Changes to Terms

We reserve the right to modify these Terms at any time. We will notify users of changes through the application or website.
